

Technical Information

AUTOSOL® Car Shampoo

Product information

Strong but gentle cleaner with fresh smell. Suitable for all paints, painted und unpainted plastics, glass, rubber and metallic components (e.g. chrome trims). It is also suitable for plastic headlight made of polycarbonate and rear lights made of PMMA (Perspex®). Protective layers such as wax and sealing agents are not affected by AUTOSOL® Car Shampoo.

Application

Rinse off heavy grime with clean water. Froth approx. 60 ml of shampoo with 10 litres of water and wash car as usual. Then rinse car with clean water and rub dry with a chamois.

Note

Do not apply on hot surfaces. Do not allow product to dry. Store in frost-free environment.
